

# Educational Visits & Outdoor Learning December 2016

## Nursery Visit to the shop

The Nursery children walked to the Londis shop on the Middleton Road to buy some stamps. They stuck them on the Christmas cards they had written to their parents. Then they posted the cards.

The children walked very sensibly, practising all the road safety rules they have been taught. They were delighted to put a stamp on their envelopes and I am certain their parents were pleased to receive their cards.

## Key Stage 2 perform at the Oxfordshire Dance Festival

Children from the dance club and ballet club performed at the New Theatre Oxford as a part of the Oxfordshire Dance Festival.

The Dance Club performed to Rhianna's 'This is what you came for'. The children have been practising after school on Wednesdays for weeks and performed the dance to a really high standard.

Grace thought the whole experience was amazing and Heidi's favourite part was dancing on the large stage.

The ballet club also performed at the same event. They performed to Debut by Melanie Laurent; Lily enjoyed performing on a big stage, even though she found it scary. Isabella's favourite part was having her hair and make up done!

## Choir visit to West Court Residential Home

The school choir visited West Court Residential Home to sing carols to end their party. The residents were very appreciative of the choir's efforts and applauded enthusiastically at the end of their set. Rose's favourite carol was 'In the bleak midwinter' and Alma's favourite carol was 'O Come All Ye Faithful'
