

# Term 3 Newsletter

## Year 1

### Topic for the term

We can be heroes... Super ones! We will be considering the powers a Superhero possesses and the tools and gadgets required to do the job.

We will be looking at the picture of Superman by Andy Warhol and adopting his style and technique in our art.

### Home learning

The home learning task is to learn the number words to twenty. These will be tested in school. Please do your best to help your child with regular practise so they enjoy the improvement in learning - one of our Learning Powers!

Please ensure that your child is reading at least three times a week at home and record this in their yellow diary. Every child who achieves this reading target will receive a raffle ticket to be drawn at the end of term and the opportunity for a treat to the cinema.

### Key Dates for the Term

Tuesday 17<sup>th</sup> January 2017 Maths Morning for Parents to attend.

Week commencing 6<sup>th</sup> February 2017 Online Safety Week. This will involve lots of guidance and activities to help children be safe.

Year One do not currently have any trips planned for this term. If this changes we will let you know as soon as we can.

### PE and Sports News

In outdoor PE we are learning Multi-skills to stop an object.

During indoor PE we will be learning some gymnastic moves with direction, jumping and landing.

Please bring in PE kits on a Monday and leave them in school all week. See the school website for the correct kit required.

### Ways to support your child at home this term

Looking at your child's targets for learning and regularly talking about their learning.

Regularly visiting the school library and sharing books together. This will help to increase your child's vocabulary as well as the shared opportunity of time together.

Becoming familiar with saying all numbers to 100 and spotting the patterns on the 100 square. See the website for a 100 square to print and pop on the fridge.

Building your child's Learning Power to always have a go, try their best, concentrate and keep improving. There are others beyond!

Additional work can be found on the school website in the Children's Page, Year 1 section.

Please do see Mrs Elson or Mrs Pendle if you would like some tips or information on useful websites to support your children.
