

Year Five

Topic Plan Term 5

ICT:

IMovie:

We will be looking at the IMovie app, and creating our own movie based on our Ancient Greek topic.

Humanities:

Ancient Greeks:

This term, we will continue to look at the Ancient Greeks. We will look at Ancient Greek food, myths and the Olympic games.

PE:

Swimming:

To continue our swimming session at Brackley swimming pool.

Rounders:

To develop our batting, fielding and bowling skills in the context of competitive matches.

Literacy:

Questioning: Focus on creating effective questions related to our Ancient Greek Topic.

Narrative: Researching, planning and writing a non-chronological report and Greek poem.

Spelling: Homophones and a range of new verb prefixes and words with common letter strings.

Grammar: Correct use of commas, apostrophes, direct and indirect speech and relative clauses.

The Ancient Greeks:

Hook: The Ancient Greek Olympics.

End Product: Conducting our own Olympic Games.

Music:

Charanga:

We will be using the Charanga Musical School to learn about how we can use our voices to create music. We will be focusing on songs that inspire us to "Be Happy".

Science:

The Human Life Cycle:

To look at the various stages of the human life cycle in detail. We will also cover the changes humans can experience over the course of their life cycle.

Maths:

Mr Clark: Looking at decimals, addition and subtraction, fractions, percentages, multiplication and division.

Mrs Nottingham/Mrs Mortimer: Addition and subtraction, multiplication, place value and decimals.

French:

Cultural festivals, places and cities, directions and general conversation.

P.H.S.E:

Keeping Safe:

To research and discuss our local area.

To think about our local area and school. What are the positives? What ways could they be improved?

Art:

Art:

To continue our Greek Vase project that depicts a scene from Ancient Greek history.

R.E:

What inspires you: To explore a range of religious figures that can inspire and motivate people.
