What happens in a session?

Your child will be allocated a key person .Who will oversee your child's time at sessions. They will also record your child's progress ,record this in your child's learning journal and act as your main point of contact should you have any concerns .

In line with Early Years guidance all children will have daily access to play indoors and outdoors. Suitable clothing for wet weather is provided by school.

The children will have a balance of time spent initiating their own play and time spent in adult-led play- based activities. Group times will be led by the children's key person and cover a range of learning experiences: listening and joining in with stories, rhymes and songs, sharing ideas, practical maths and music.
