Nursery Visit to the post box

Today (15th December) the Nursery children were excited about walking to the post box to post their Christmas cards to their relatives. Before we set off, we spoke to the children about crossing the road making sure they all understood how we cross the road safely. After we spoke to them we asked the children some road safety questions; these were some of the answers, "Hold hands "stop, walk not run" "wait for the green bunny" "look right and left" "careful don't slip!" "Listen cars" We walked safely in two's down to the post box making sure the children listened and looked out for cars before crossing. All children posted their letters and enjoyed the experience! Miss Cross

Key Stage 2 perform at the Oxfordshire Dance Festival

On Wednesday 6th December, Dance Club travelled to Oxford to take part in the Oxfordshire Schools Dance Festival. In the morning, the children rehearsed their performance of Never Had A Friend Like Me on the stage at the New Theatre before enjoying lunch at Pizza Hut. In the afternoon, they visited the Modern Art Museum where we studied work by Norwegian textile artist Hannah Ryggen and contemporary artist Nicolas Party. After that, it was time to return to the theatre to watch the first half of the show. Following the interval, it was our turn on stage. The children performed brilliantly and made us incredibly proud. Mrs Lacey

Choir visit to West Court Residential Home

The school choir visited West Court Residential Home to sing carols to end their party. The residents were very appreciative of the choir's efforts and applauded enthusiastically at the end of their set. Amria's favourite song was Away in the Manager.

Some of the choir also sang at St Leonard's Church as a part of their Carol Service.

Year 1 Visit to Waterstones

Year 1 were invited to Waterstones to look at the books. The children were read a Christmas Story by Mrs Brown and all selected a book they would like Father Christmas to buy them. On their return to school, the children wrote letters to Father Christmas asking for the books. Violet and Lily have asked for a piano book, Vanessa liked the unicorn book and Katie would like a book about the human body.

Visit to see Sleeping Beauty Pantomime at Chipping Norton Theatre

104 children and adults from Year 1 to Year 6 visited Chipping Norton Theatre to see the Sleeping Beauty Pantomime. The children got into the panto spirit and enjoyed booing the villain!

Kayden enjoyed being sprayed with water and sweets—he also laughed when the king pressed the buttons and Nanny Fanny got squirted! Daniel liked the part where Sleeping Beauty rescued the Prince from the villain.
