### Home Learning

There are three areas for Home Learning to look out for each week:

- 1. Spellodrome.** Every week the children are given a new wordlist to practise on Spellodrome. If they know those words, there are plenty of other wordlists to revise. See if you can score 500 points in a week!
- 2. Maths** will be activities on the Mathletics site. Children should aim to do at least 30 minutes of Mathletics each week – and there are rewards for those who score the most points.
- 3. Reading** Children are expected to read at home three times a week as a minimum and this will be monitored via the yellow reading records, which you need to sign weekly.

All children who return their signed reading records on Friday will get an extra playtime.
