

Educational Visits & Outdoor Learning

April 2016

Year 3 Visit to the Round House

Year 3 visited the Round House in Sibford School to complete their learning about the Iron Age.

The children were arranged into three groups and they had opportunities to: put mud on the roundhouse; make broaches and make a wattle and daub wall.

Laura and Mohammed Esa agreed that they enjoyed the wattle and daub wall the most, as it was a really challenging activity.

Year 3 and 4 Residential Visit to Aylmerton

Thirty eight Year 3 and 4 pupils went to Aylmerton Field Study Centre in Norfolk. They completed a range of activities including: team building skills; night hike in the woods; visit to the Life Boat Centre; pirate activities; trip on a boat to see the seals at Blakeney Point; a trip down the Norfolk broads on boats and visiting different kinds of beaches. Scarlett remarked "I enjoyed bowling with my friends on the Saturday night"

Ivan said "I liked driving the boats on the Norfolk broads—even though it was quite hard!"

Many thanks to Miss Moon, Miss Nicklin, Mrs Mallarky and Mrs Nurden for supporting this trip.

Reception Visit to a Garden Centre

Reception children visited the Garden Centre as a part of their topic on becoming 'Nature Detectives'. In small groups they selected seeds from the Garden Centre to purchase and plant back at school.

Ben and Emma explained that they have planted sunflower seeds. They are going to add water and put them outside. When they have grown, they will take them home

Road Safety with Year 1

As a part of their PSHCE work, Year 1 have been learning to cross the road safely. Declan and Molly explained that you have to find a safe place; stand back; look both ways (at least twice); Listen for cars; walk across the road (thinking at all times) until you get to the other side. Declan said "You must not run, as it is dangerous!"

Year 2 Multi Skills Festivals

All the children in year 2 attended a multi skills festival at Banbury Academy, where they worked with children from different schools. The festival was provided by North Oxfordshire School Partnership. They all had the chance to experience a variety of different activities such as: golf, skipping, parachute games and archery.

Mohammed enjoyed playing golf, whereas Ashleigh preferred skipping.
