

SCHOOL MEALS

About the food we serve

We provide a variety of food made from almost entirely fresh ingredients. Where possible the food is sourced from local suppliers. The children are nourished with food to give them energy and enable them to concentrate in the classroom, enjoy sport and playing. We encourage the children to try different food with tester pots and have had quite a lot of success! We believe that we provide an excellent value 2 course meal.

Special Diets

We cater for a wide variety of dietary requirements whether it is regarding religious or allergy reasons. We provide Halal, Vegetarian as well as allergy needs.

Should you have a child with special requirements or if you have a question about the food then please contact Kate Hughes by email:- kitchen@st-leonards.oxon.sch.uk
