**Welcome back to School, we have many exciting opportunities this year to enhance your learning**

## **Year 3—Trip to Banbury Museum**

As a part of their topic, Ride a cock horse to Banbury Cross, the children visited the different sites in Banbury town. The children walked up to see the Fine Lady and Banbury Cross. They also visited the Town Hall and got to hold the mace. Whilst walking, they also tried to count how many suns there were on many buildings and landmarks.

Both Yagoda and Noah enjoyed holding the mace and feeling how heavy it was.

## **Year 4—Planting in the park**

4B visited Peoples Park to create some hanging baskets which will be hung around the town and around school.

They were taught to prepare the baskets by adding newspapers and soil and they then placed a plant in the middle of the basket. The children then added additional plants of their own design. These plants included: pansies, ivy and lavender.

## **Year 2 Visit to Banbury Museum and Canal**

Year 2 visited Banbury Museum to learn all about canals. They had the chance to learn about canal art and make some plates. The children then all enjoyed a canal boat ride on the Dancing Duck.

Emily's favourite part of the day was riding on the canal boat, as she had been on it before with her family. Zoe enjoyed creating canal art in the museum.

## **Harvest Festival in Church**

The school choir took part in St Leonard's Church's Harvest Festival service. They sang two songs, Sing a Song for Harvest and Harvest Samba.

Emilia read the first lesson and Tyler and Emma read prayers.

## **Year 4 Visit to see Princess Charming at the Mill Theatre**

Year 4 visited the Mill Art's Centre to see a production of Princess Charming by the Spun Glass Theatre Company. The play was about gender stereotypes and was linked to their work on twisting traditional tales in Literacy.
