Year 1 children visited Banbury Museum to look at toys from the past, as a part of their topic this term. They saw and played with ribbons, spinning tops, Jack in the box, hoop on a stick and some dolls. Cody enjoyed playing with the cup and ball set and liked making one back at school.

Nursery Visit to the Pond

Children from the Nursery visited the Pond at the entrance to the Thorpe Way Industrial Estate. They looked at the frogs and the frogspawn. They discussed the life cycle of a frog. The children have tadpoles in the Nursery at the moment, and they are enjoying observing the changes which are occurring.

Some of the Year 2 children said 'It was really fun because there were lots of games to play' and 'My favourite activity was the tag rugby because I liked catching all the tags'.
