

# Educational Visits & Outdoor Learning

## April 2019

### Reception Visit to Broughton Grounds Farm

Reception visited the farm and, according to Mrs Keyser, it was the “best farm visit ever!” The children had an amazing time meeting and feeding the animals, and even saw a lamb being born!

### Year 6 Visit to VR Studio at Space Studio—Wykham Park

15 children from Year 6 went to the Space Studio at Wykham Park Academy, to use the VR Suite. They explored an interactive room to experience life in the Blitz during World War 2.

It gave the children a real insight into what it was actually like to be there, from listening to a broadcast from Sir Winston Churchill, to boarding up the windows during the bombing. They found it really interesting and had to work in teams to help complete tasks. Everyone had a lot of fun!

### Year 5 Visit to Wykham Park Academy to see Joseph and this Amazing Technicolour Dreamcoat

Children from Year 5 had the opportunity to visit Wykham Park Academy to see the dress rehearsal of the school's production of Joseph. The children really enjoyed the production and it was nice to see some ex pupils in the cast!

### **Year 3 Visit to Botanic Gardens and Pitt Rivers Museum**

Year 3 visited the Botanic Garden in Oxford, the oldest such garden in Great Britain with nearly 6000 different plants. They found out where aloe vera comes from, learnt about tropical rainforests and tickled the inside of venus fly traps to make them snap shut on an 'insect'.

They also visited the Pitt River Museum, where they saw a variety of different exhibits including: old toys, mummies, model boats, weapons and even shrunken heads!
