

Educational Visits & Outdoor Learning

July 2019

Year 3 and 4 Rounders Festival

Year 3 and 4 visited Wykham Park Academy to take part in the Banbury Partnership Rounders Festival. After a warm up—provided by Wykham Park Young Sports Leaders—the children played four games. All the children enjoyed themselves. Zara enjoyed batting the ball and Luke managed to score three rounders in a row. Biborka enjoyed running around the posts.

Year 5 Visit to Steamer Point

Year 5 visited Steamer Point beach before the end of term. They paddled in the sea, made sandcastles, collected seashells and ate ice-cream! They also looked at erosion of the landscape in preparation for their first topic in Year 6.
