## Year 5 Trip to Evenley Woods

Year 5 became intrepid explorers and ventured into Evenley woods, near Brackley. They learnt about seed dispersal and different tree types from Tom, the head gardener. The children also created their own Andy Goldsworthy inspired artwork in amongst the woodland. Great fun was had by all and they have all been inspired by nature! Mrs Vere and Miss Nicklin

## Year 5/6 Tag Rugby Festival

One of the St Leonard's clubs this year is Tag Rugby Club, and last week some of the children who were in the Club went to the Tag Rugby Tournament at Banbury Rugby Club. It was a very close competition, and we all had fun even if we were not playing in a game. Everybody went crazy whenever we scored a try, and there were some great tags (one of your tags being ripped off your belt). It was very exciting! Each team shook hands at the end of a game, and it was always very sociable! In the end, the St Leonard's Year 6 team came 4th, and the Year 5 team came 5th.

Owen Anderson—Year 6 Pupil.

## Year 5 Harvest Festival Service

Year 5 led a Harvest Festival Service at the Church. They created a vegetable fashion show and shared the history of chocolate. They also wrote prayers, read a lesson and sang some lovely harvest songs.

We were very proud of them.

Miss Nicklin and Mrs Vere

## Year 6 Visit to River Cherwell

As part of their rivers topic, Year 6 walked to Banbury Reservoir and the River Cherwell to conduct some field-work. While they were there, they searched for physical and human geographical features; they also conducted surveys into litter and how the area is being used by members of the public. This was a valuable and enjoyable morning for all.

Mrs Lacey and Mr Clark
