

## Year Two – Home Learning Grid - Autumn Term 1 - 2020

Topic	Bogs and Bugs									
<b>English</b>	<p><b>Challenge Activity:</b> Visit your local library and choose a fiction or non-fiction book that interests you (or you can choose a book from home). After reading your book create a poster about it. What was it about? What was the best part? Why did you choose it? Why should you friends read it?</p> <p><b>This homework can be brought into school – we will have a box to leave them in for 72hrs and will then put them on display in our book corners for our ‘Book recommendations’ display.</b></p>	<p>Look at the following words from the Bog Baby book...</p> <table border="1" style="width: 100%; text-align: center;"> <tr> <td>magic</td> <td>creature</td> <td>huge</td> <td>boggly</td> </tr> <tr> <td>squelchy</td> <td>damp</td> <td>blabbed</td> <td>drooped</td> </tr> </table> <p>With your grown up, find out what these words mean?</p> <p>Can you then choose 4 of the words to put in your own sentences once you know the meanings?</p>	magic	creature	huge	boggly	squelchy	damp	blabbed	drooped
magic	creature	huge	boggly							
squelchy	damp	blabbed	drooped							
<b>Maths</b>	<p>Choose any 5 numbers from the 100 square. Order them largest to smallest. Now order them smallest to largest.</p> <p>Try again with 5 different numbers.</p>	<p>Write out the numbers 1 to 20. Check you have formed each digit correctly. Once you’ve written the digit can you write the word to match each number e.g.</p> <p>0 = zero 1 = one</p>								
<b>Science and the outside environment</b>	<p>Think of your favourite animal and draw it. Now find out where it lives e.g. desert, jungle, forest. Why does it live in a certain place and not another? Would it be able to survive in another habitat?</p>	<p>Go on a mini beast hunt in your garden or local park. Draw/write the different mini beasts you find on your hunt. What do you notice about where you find them? Which one do you like best?</p> <p>If you didn’t get a chance to go to Spiceball Park nature trail over the Summer holidays, you could do it for part of this homework.</p>								
<b>Humanities</b>	<p>Follow the direction game to help understand directions North, East, South and West: <a href="https://www.mathsisfun.com/games/direction-nsew-.html">https://www.mathsisfun.com/games/direction-nsew-.html</a></p>	<p><b>Challenge Activity:</b> Draw a map of your local area; include your house, any shops, parks etc. Can you label your map?</p> 								
<b>Art, DT, PE</b>	<p><b>Challenge activity:</b> Draw your favourite teddy/toy? With your grown up, talk about what it is made from? How has it been made? How does it work? What age group has it been made for?</p>	<p>Complete the weekly Couch to 5K running activity with your grown up. This will be uploaded to class dojo each week for your to try. Upload a photo to your portfolio of you completing your run.</p>								

**Each week choose one item from the grid. For the time being, UPLOAD your homework to Class dojo by 12pm Thursday each week (do not bring sheets of paper into school with homework).**

**Remember that part of your home learning is also to read at home at least three times a week. This needs to be recorded in your yellow reading diary and signed by an adult in order to move up the Reading Rainbow. Like homework, upload a photo of your reading diary comments to dojo and we will tick off your reads each week.**

**Times Table Rock Stars is also available for you to use to practise your maths skills.**
