

# About the food we serve

## Message from our Head Cook

### About the food we serve

We provide a variety of food made from almost entirely fresh ingredients. Where possible the food is sourced from local suppliers. The children are nourished with food to give them energy and enable them to concentrate in the classroom, enjoying sport and playing. We encourage the children to try different food with tester pots and have quite a lot of success! We believe that we provide an excellent value 2 course meal.

### Special Diets

We cater for a wide variety of dietary requirements whether it is for religious or allergy reasons. These include Halal & Vegetarian meals.

Should you have a child with a special requirement or you have a question about the food then please contact me by email:

### Our Kitchen

We aim to make lunch time a fun and enjoyable lunchtime experience. To encourage healthy eating along with social skills.

Our kitchen has received a 5\* score for "Food Hygiene rating system" which we are proud of but continue to strive to improve wherever possible and in all aspects.

We welcome suggestions towards any improvement in the children's eating experience.

Please Contact me at:
