

Autumn Term 1 Newsletter

Years 3 and 4

Welcome Back!

It has been a while since we saw most of you and it is great to be back. We are looking forward to a getting back to 'normal' this term and are here to answer any questions you may have about our learning and how we are keeping your children safe. Please either book an appointment at the office or message your child's class teacher on Class Dojo.

Topic for the term:

Ancient Egyptians - The Afterlife.

Home Learning

Children are to choose one activity each week from the home learning menu and aim to complete every piece of work set by the end of term. The menu will be uploaded to Class Dojo and work can also be uploaded here for us to see. Please ensure work is uploaded every Monday.

Children must read 3 times per week (minimum) and record this in their reading diaries. This then needs to be signed by an adult. Please take a photograph of the relevant page and upload to class dojo.

Key Dates for the Term

Tuesday 1st Sept '20 - INSET Day

Wednesday 2nd Sept '20 INSET Day

Thursday 3rd Sept '20 - First day back to school

Monday 5th /Tuesday 6th Oct '20 - Parents'

PE and Sports News

Children will take part in both indoor and outdoor PE. Please ensure that they have a pair of trainers in school every day. On PE days girls can wear black leggings to school or shorts underneath their skirts/dresses.

3/4A and B - Mondays and Wednesdays

3/4C - Mondays and Thursdays

Equipment will be cleaned before and after use.

Swimming lessons will be confirmed when we have more information.

Ways to support your child at home this term

Listen to your child read for 10+ minutes every day. Ask them questions such as: why do you think that happened? How do you know they are happy? Where do you think they will go next? What does this word mean?

Practise the 2, 3, 4, 5, 8 and 10 times tables. Children need to be able to recall these multiplication facts in order and randomly. These are the times tables that they need to/needed to know by the end of year three.

Encourage your child to complete their home learning to the best of their ability, helping them when they are stuck and praising hard work.

We are working hard to make learning fun and safe, remember to ask your child about their day.
