

Whole School Curriculum Map

Our curriculum is based on themes. We offer a range of cross curricular experiences to make connections in learning. Learning always starts with a hook, such as a visitor, artefact, video and ends with a product, such as a museum for parents to visit.

	Autumn Term		Spring Term		Summer Term	
	Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
	The planning within the EYFS follows the children's interests, experiences and learning needs alongside covering seasonal events. This will include a wide range of stories and nursery rhymes. These are some examples of stories used and themes taught.
