St Leonard's School attainment in 2022 was higher than other schools nationally in all subjects and our February 2022 Ofsted Inspection recognised the strong performance of the school, grading it Good in all areas (see Ofsted Report).

Since 2019, despite the pandemic, St Leonard's KS2 results for the Combined score for the expected standard in reading, writing and maths more than doubled, rising sharply from 33% to 67%. This is in sharp contrast to National attainment data which show this figure has dropped significantly from 65% to 59% in the same period for all schools.

### Progress measures Key Stage 1 to Key Stage 2:

Our children make excellent progress in writing from Year 2 to Year 6, and very good progress in Maths. Some children did not make as much progress as we expected in reading.
